

**THE CHRISTIAN ACADEMY**  
PARENTAL DECLARATION OF FINANCIAL & FUNDRAISING COMMITMENT

Providing private education is an expensive endeavor, one in which additional revenue is needed to maintain financial sustainability. A gap exists between the actual cost of educating students and what can be charged for tuition; therefore, a commitment to help raise additional revenue is required from those being served.

For The Christian Academy to continue our mission of educating students in a Christ-centered community where the Word of God is preeminent in all curricular and co-curricular instruction with spiritual and academic excellence at the core of our educational process as children are taught and trained to be disciples of Jesus Christ; parents are asked to do the following:

- Provide five names of people for our TCA Annual/Scholarship Fund
- Sell at least one box of candy bars
- Participate in the fall activity to raise a minimum of \$100.00 per family.
- Participate in the spring activity to raise a minimum of \$100.00 per family.
- Provide a sponsor or ask a team to participate in spring TCA Golf Tournament
- Help with one event- Chili Supper, Auction, or Golf Tournament

There is buy out option of \$500 that will make your family exempt from having to participant in the fundraising activities above if you so choose.

**It is imperative that we work together to keep Christian education available and as an affordable option in our area! We need to raise \$100,000.00 for the 2018-19 school year to keep tuition at the current amount.**

I Corinthians 4:2 “Moreover, it is required of stewards that a man should be found faithful.”

Romans 12:4-6b “For as in one physical body we have many parts and all of these parts do not have the same function or use, So we, numerous as we are, are one body in Christ and individually we are parts one of another [mutually dependent upon one another]. Having gifts that differ according to the grace given us, let us use them;”

**I understand that every family is needed to do their part to guarantee the future success of our independent Christian school. As a result, I pledge my commitment to do one of the following to help bridge the gap between tuition and actual cost of educating my child(ren):**
