

# Charger News

## Relay For Life

TCA has been invited to sing at the opening for Relay For Life. We are hoping that 100% of our students will attend the opening on October 5 at 3:00. This will be held at Malone Park located in downtown Sikeston. Each student that attends will enjoy an outside, picnic style lunch with Mrs. Sturgess. Please encourage your child to attend for this ten minute opening. We ask that all students wear a red, white or blue school uniform shirt.

## VOLUNTEERS NEEDED

Plans are being made to move the Jr/Sr Campus to the Elementary Campus. We need help. The goal is to have the students begin moving desks and books Wednesday, October 17 and continue with the move on Thursday, October 18. If you have a truck and can help us we would be so thankful. We plan to have a large trailer on Thursday morning to move the heavy stuff which will require some strong people!!!

## Jr/Sr Update

The TCA Board made the decision to move the Jr/Sr High students back to the elementary building. Some of the reasons prompting this decision were the number of students at the Jr/Sr Campus and the fact that we had enough room for them at the elementary campus. This will save the school the monthly expenses of having the Kingshighway location open.

## Basketball

Basketball will be starting soon with our first game on October 15 at 6:30. Home games will be played at The Tanner Street Gym. We encourage you to come out and cheer for the TCA Chargers!

## Chili Supper

Our Chili Supper will be November 8. We need everyone to sell as many tickets as possible. The grade level selling the most tickets will be treated to an outside, caramel apple party!!!! So let's see which grade level shows the most TCA pride!!!

## Dates to Remember

### October:

- |             |   |
|-------------|---|
| <b>TBA</b>  | <b>Individual School Pictures</b>                 |
