

Thank You

At the time of this writing we have been in school for 13 school days. Thank you, parents for working with us, for being so patient, for being so understanding as we navigate through a school like no other year ever.

We are trying to keep you updated as much as possible regarding Covid 19 and any impact it is having at TCA.

If your child is not feeling well or running a temperature of 99 or higher, please keep them home.

ACCREDITATION

The accreditation visit is once again set for October 25. The team will be here to observe teachers teaching, to interview teachers, students, board members and parents, and to check and verify all of our documentation. We have all worked so very hard and ask you to pray that the team gets to make the visit and that they find TCA to be a school that is ready to be accredited.

Progress Report

At the end of our 4th week of school we will be sending out Progress Reports. Please look over these and if you have questions, please contact your child's teacher and get any issues resolved before we move forward.

Fall Party

On October 29 we will be having a fall party. Students are encouraged to dress up as something from God's creation. Your child's teacher will be getting with you as we get closer to time. I just wanted to give you a "heads up" so you could be thinking about what your child would wear.

TCA Board Meeting

The Christian Academy Board will have their monthly meeting on September 21. This meeting will be held at the school and will begin at 5:30.
