

APPEARANCE PHILOSOPHY 2021-2022

As a Christian school, we have a unique responsibility in the area of dress. We are judged largely for our appearance but are not blind to the changing styles of the day, nor do we want to appear so “dated” that we are viewed as rigid and irrelevant to a world we seek to reach for Jesus Christ. TCA’s goal is to present our appearance as conservative and in good taste so as to “adorn the Gospel.”

Interestingly, appearances subtly demonstrate or are suggestive of “values;” therefore, it is the desire of TCA that students in attendance possess and project an image of personal and academic integrity. It is also the desire of the school to be perceived by the public as having instilled into the students the values and character befitting an education at a Christian school. As a result, TCA students are to be neatly, modestly, and uniformly dressed when arriving, attending, and leaving school.

In all matters of standardized dress-code or personal appearance interpretation, the school office has the right of final decision. We trust these guidelines will be helpful and serve as deterrents to potential problems. It is our intention that these guidelines contribute to the training and development of godly character concerning obedience and a correct response to authority.

Students may not like or agree with the dress code; however, keeping a right attitude and teachable heart is important in the eyes of the Lord. Once again, our desire is for students to possess and project an image of personal and academic integrity.
